A LITTLE BIT ABOUT ME

Hi, I'm *Anna*. I'm a frontend web developer with a passion for learning new languages and frameworks. I have excellent analytical and problem solving skills as well as strong spoken and written communication skills. I enjoy writing algorithms, making sites look awesome, and playing the accordion.

SKILLS

Skill		Skill	
Ruby	▰▰▰▰▰▱	CSS	▰▰▰▰▰▱

jQuery	▰▰▰▰▰▱	SQL	▰▰▰▰▱▱

*Additional***:** Foundation, Bootstrap, Sinatra, HTML, Angular.js, Git/Github, Rspec, Jasmine

PROJECTS

Council |
https://github.com/aftaberski/council_app
Frontend lead
A cross-platform mobile app that allows users get immediate feedback from friends with a simple swipe. Used Ruby on Rails with a PostGreSQL back end and a pure JavaScript/HTML/CSS front end. Responsible for front end functionality, design, and building out the backend.

ShaqOverflow |
https://github.com/aftaberski/lucky-ambassador
Full-stack
A semi-clone of StackOverflow. Users can post images, comments on posts and comments, vote on posts and comments. Responsible for AJAX voting implementation, design using BassCSS, and database structure.

EXPERIENCE

Entertainment Weekly, New York, NY   **March 2014 – December 2014**
Marketing Assistant
Composed copy for advertorials, promotional tweets, in-book recaps, and email blasts. Spearheaded proposals for upcoming meetings. Tracked current ads and campaigns.

Entertainment Weekly, New York, NY   **October 2013 – March 2014**
Marketing Intern
Composed copy for decks, advertorials, native campaigns etc. Assisted with proposals including pulling research stats, image research, setting up decks etc. Updated marketing one sheets, sell sheets and placemats.

The Huffington Post, New York, NY   **September 2013 – May 2014**
Contributing Writer
Watched and analyzed 'Law and Order: SVU' in order to compose weekly recaps of each episode using HuffPost's CMS

Pixable, New York, NY   **March 2013 – October 2013**
Social Media & Marketing Intern
Configured feeds in JSON. Found relevant social media content to add to photo feed configurations. Managed social media accounts and composed blog posts.
